

GRAPHICAL SALES WITH WEATHER TRACKING 101

DO THESE FOLLOWING SCENARIOS SOUND FAMILIAR TO YOU.....

With the GEM software and G7's consulting services our sales have never been BETTER!

"Why did our sales spike today versus this time last year?"

"Is there a way to record special events that cause our sales to either increase or decrease?"

"Was the cold weather a factor to why our customers tomato plants died? They are asking for a refund."

Graphical Sales Screens and Weather Tracking 101

*View sales with a click of a button—Annually, monthly, weekly, daily and even hourly-the choice is yours.

*Hourly sales reports that help with staffing issues, saving you money.....

*Graphical sales screens and reports tied to daily weather to help in tracking spikes or downturn in sales.

*The ability to track sales by special events to see if advertising dollars for special offers are truly making an imprint on your bottom line.
