

MULTI-SITE 101

DO THESE FOLLOWING SCENARIOS SOUND FAMILIAR TO YOU.....

"With more than one location how can we efficiently track our sales?"

"Tracking customer gift certificates has become a nightmare! HELP!"

"How do we know if another location has mums in stock to help fulfill a customer order?"

Multi-Site 101

- *Check stock levels of all sites at all sites.
- *Maintain different pricing at different sites, all controlled from central site.
- *Share accounts receivable information at all sites (customer payments at any site).
- *Share gift card information across all sites.
- *Compare sales across all stores with our "at-a-glance" sales summary screen.
- *Multi-site uses Microsoft's SQL Replication to move data between sites.
