

FULL ACCOUNTING SYSTEM 101

DO THESE FOLLOWING SCENARIOS SOUND FAMILIAR TO YOU.....

Let G7 and the PRM Software keep you "PROFITABLE" so you too can drive your money truck to the bank!

"Why do we have to hand type our POS sales activity into our accounting package?"

"It sure would be nice if we could keep track of our sales by division!"

"Is there an easy way to maintain all of our accounting needs in one complete system?"

Full Accounting System 101

- *Keeping all of your accounting functions to one system saves time and money.
- *Create Accounts Payable invoices right from the purchase order center.
- *Track sales by general ledger divisions for better profit margin analysis.
- *Customer cash receipts and vendor payments all tracked in one complete system, two sets of books are a thing of the past.
- *Budgeting by department helps to keep your costs under control, driving profits through the roof.
