

MULTI-SITE 101

DO THESE FOLLOWING SCENARIOS SOUND FAMILIAR TO YOU.....

Thanks to G7 and the PRM software we no longer struggle with these issues.

"With more than one location how can we efficiently track our sales?"

"Tracking customer gift certificates has become a nightmare! HELP!"

"How do we know if another location has something in stock to help fulfill a customers request?"

Multi-site 101

- *Check stock levels of all sites at all sites.
- *Maintain different pricing at different sites, all controlled from central site.
- *Share accounts receivable information at all sites (customer payments at any site).
- *Share gift card/gift certificate information across all sites.
- *Compare sales across all stores with our "at-a-glance" sales summary screen.
- *Multi-site uses Microsoft's SQL Replication to move data between sites.
