

PURCHASING 101

DO THESE FOLLOWING SCENARIOS SOUND FAMILIAR TO YOU.....

"Has anyone placed this weeks orders yet?"

"Which vendor can I get the best price from in the shortest lead time?"

"How can I figure out which items to order in an organized manner without over stocking?"

Purchasing 101

- *Keep track of open purchase orders knowing when inventory items are expected to arrive.
- *Manage vendors by generating Purchase Orders automatically at pre-set inventory levels.
- *Print bar-codes and product labels for the exact amount of items on purchase order in minutes.
- *In a pinch find out which vendors offer the best pricing and lead times to meet customer demands.
- *Keep track of freight costs by item to know your true profit margins.
